RS ST 269 507 00. Reg # 4169021 Super calving ease, son of Robs 832 (Sutherland Titlest 269) . High seller to Coulee Ranch, WA. No photo, 74 Units. \$ 10/Unit

The 804 sons: Below are two sons of the great 804 daughter (RR Dream Girl 15th) that John Sullivan chose as his pick of the Herd. Rob used both sons naturally one is a son of the Max line and the other a son of the 034 line. She is pictured in the catalog above lot 79 and the 034 son is pictured in the last page as a reference sire. The Max son sired a group of Plus heifers with amazing scan data. Great breeding bulls with longevity stacked knee deep.

RS DV 034 804 08 Reg # 4142590. Sire 034 dam 804 432 Units. \$10/Unit

RS Max 907 804 07 Reg # 4129782 Sire Max 335 dam 804 326 Units. \$10/Unit

RS Max 907 209 07 Reg # 4129808 Sire Max 335 dam is pacer performance "729". Gilman shorthorns of Iowa have him as a walking bull. It's important to see the importance of the 729 line at RS as this is the line that developed the great 034 bull as well.

RS DV 034 624 09 Reg# 4155825 Sire 034 – still covering cows at Rob Sneeds, a heavier muscled son of 034 with a tick more frame. 203Units. \$10/Unit

3 Sons of Captain Obvious all have Adj 205 that are impressive for purebreds. Rob used the "626" son prior to the sale to Red Doc Santa Gerturdis. 627 was Dale Studer's pick and 422 also photoed was incredible thick calf that injured himself after collection. Captain Obvious semen has been off the market as he is still covering cows naturally ! So much longevity here ! Photos of two of the bulls.
